

Starz Catering Point Of Difference

- All our meals are cooked and packaged fresh just before delivery.
- The latest eco friendly biodegradable food packaging available is used
- Delivered in temperature controlled boxes ensuring meals arrive on location (hot or cold) ready to be enjoyed by crews at the specified time
- All dietaries accommodated for regardless of the menu served on the day
- Specialist in providing film crews with an extensive variety of themed lunch menu options.

At Starz Catering we take great pride in offering high quality catering with alternating menus ensuring variety on a daily basis. In addition we understand that requirements and schedules vary from day to day and adopt a flexible approach to ensure the catering needs of your crew are fulfilled.

The catering on offer is extensive and varied, however if there is any aspect not listed which you would like to include or alter we are more than happy to accommodate changes and suggestions.
